**An exclusive claim to
confidence.**

Luxurious materials, a slim worktop, and square legs made of solid steel – Sedus temptation prime combines reliable strength with easy elegance. These prestigious executive desks and team

tables, with additional adjustable tables and lowboards, are the perfect expression of productive well-being, the office culture for which Sedus Place 2.5 stands.

Design: Andreas Struppler

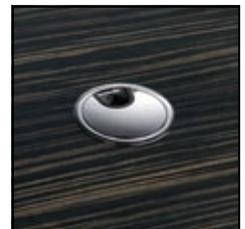

Character is reflected in the overall impression and in every detail.

Privacy. Coordinated with the table top finish, the modesty panel provides an attractive screen along the front of the desk.

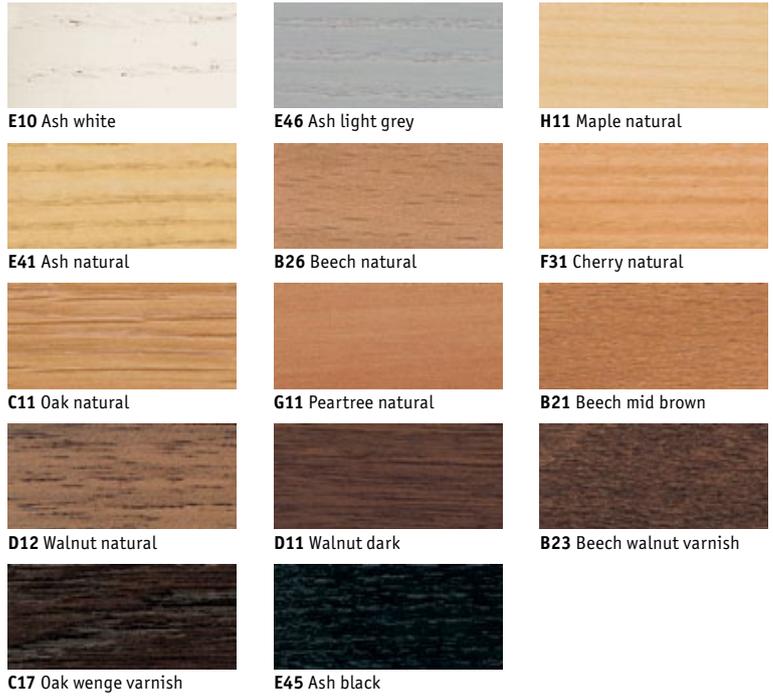

Update. High quality furniture requires cable outlets of superior design.

Companies, people and the environment all benefit.

Sedus is committed to transforming working in an office into a profitable experience for all. For the benefit of both companies and their employees. This mission statement is laid down in the corporate policy, to which the thoughts and actions of everyone at Sedus are bound. It is an ideal which encompasses all of the important aspects for office work today and tomorrow and, in order to achieve it, Sedus relies on the areas of competence Holistics and Customer Orientation, Quality and Sustainability, and the concept Place 2.5.

With the concept Place 2.5, Sedus has developed a unique and innovative approach – the new office culture of productive well-being. The concept is based on perfect ergonomics, functionality and working conditions and is embedded in office environments designed to enhance well-being, in which people like to work, and are therefore more productive. Design, light, acoustics, atmosphere and air are just some of the most important elements.

The concept is testimony to Sedus' holistic and customer-orientated way of thinking. After all, companies today do not need more pieces of office furniture, but rather seamless and needs-orientated solutions for efficient working processes. They need future-proof office working environments that are consistent with the corporate culture. Sedus delivers just that with its comprehensive, flexible product range catering for all requirements and with its individual consulting and planning services.

Quality and sustainability have ultimately been the cornerstone of Sedus' success for more than 50 years now. In addition to working in a way that conserves resources, designing products which are recyclable, using ecologically tested materials and being energy-aware in its manufacturing, Sedus pursues one thing above all else: product quality that lasts, because that's what is best for the environment.
